ROSE LIST 2007/8

Welcome to our latest Rose list. These roses are locally grown by a registered rose grower with the British Association of Rose breeders. This list is quite different to previous lists. It has many new varieties that we hope you will like as much as we do.

HYBRID TEA

JUST JOEY	Fragrant double blooms of coppery-orange, petals waved edged, above leathery dark green foliage.
KEEP SMILING	A most beautiful h.t. rose of golden yellow fragrant blooms. Perfection.
PEACE	Huge long lasting blooms of golden yellow with cerise-pink at the petal edges.
SIMPLY THE BEST	ROTY 2002. Flowers range from copper orange to vermillion. Excellent fragrance.
SUNBLEST	Deep yellow -gold blooms with a moderate scent are borne above compact foliage.
TEQUILA SUNRISE	Scarlet and gold, the perfectly pointed buds open into flowers of long lasting yellow and red.

FLORIBUNDA

GLENFIDDICH	Beautiful H.T. flowers of golden amber. Strong upright growth, dark green foliage.
ICEBERG	One of the most popular floribundas of today. This rose grows strongly to a large bush absolutely smothered with long sprays of pure white flowers.
TICKLED PINK	Rose of the Year 2007. masses of large scented full petalled blooms in a gorgeous & seductive shade of pink. Height 3'. (90cm)

CELEBRATION

CONGRATULATIONS	Long pointed buds borne on strong upright stems opening to clear rose-pink fragrant blooms.
GOLDEN WEDDING	A good deep yellow and strong healthy growth, you can have no misgivings about using this variety to remember the occasion.
REMEMBER ME	Large blooms of the finest coppery coloured flowers, on an upright bush of dark leathery glossy foliage.
RUBY WEDDING	The deep, ruby red blooms have a sharp fragrance and are held stiffly erect on a bush of dark green foliage. The delicate blooms have the perfect shape and make excellent flowers.
SILVER ANNIVERSARY	Pure white H.T. blooms with a good perfume. Healthy plant with semi-glossy foliage. Height 2' 6". Ideal for a compact garden.

CLIMBING ROSES

BREATH OF LIFE	This rose as unusually perfumed apricot blooms. The prettily formed H.T. type flowers hold well and look beautiful at every stage, the form makes an excellent cutting rose. Height 10ft
CASINO	Deep yellow buds, opening to produce lovely full flowers with a slight fragrance. Ideal for fence or wall.
COMPASSION	Perfectly formed H.T. blooms, salmon pink shaded apricot orange. Sweetly scented, vigorous rose with healthy growth and dark foliage is repeat flowering. Height 10'. Highly recommended.
DANSE DE FEU	Double, vivid orange scarlet flowers, bronze tinted foliage, one of the best climbers. Ht 10'.
DUBLIN BAY	Brilliant red blooms, lovely fresh fragrance carried on strong healthy foliage. Ht 8'.
ETOILE DE HOLLANDE	Superior rose, large flowers of crimson-scarlet with a superb perfume.
GOLDEN SHOWERS	Bright perfumed trusses of yellow flowers. Upright growth, dark green foliage. Ht 10'.
HANDEL	Perfectly shaped blooms, delightful cream, edged deep rosy pink, flushing to the centre with age. Very free flowering, strong healthy growth. Highly recommended. Ht 10'.
KIFTSGATE	Large clusters of small white flowers appear on this very vigorous climber, can be grown through a conifer hedge, very appealing.
LEAPING SALMON	Large salmon pink Hybrid Tea shaped flowers are usually carried singly on strong upright stems. Perfume is excellent, disease resistance is of a high standard.
MASQUERADE	Bright canary yellow floribunda blooms, turning pink, then red when fully open.
PENNY LANE	ROTY 1998. Honey champagne blooms abound on this vigorous climber.
PINK PERPETUE	Fragrant double blooms, clear pink with a carmine pink reverse have a strong fragrance. Free flowering, medium vigour with dark glossy foliage. Height 10'.
SCHOOLGIRL	Large fragrant blooms of H.T. form in soft coppery orange. An ever blooming healthy grower of medium vigour, makes it a popular choice for a wall or fence. Excellent for cut flower. Height 12ft.

SWANLAKE One of the best white climbers you can buy, the flowers are large and shapely and the foliage is abundant. A good choice for an arch or pillar.

WHITE COCKADE Beautifully formed white blooms, fair fragrance, free flowering. Good disease resistance, glossy foliage.

RAMBLING ROSES

ALBERTINE Beautiful coppery buds open into medium sized pink flowers which scent the air with their heady perfume. Healthy dark green foliage, when young, it has an attractive reddish hue. Height 15'.

LEVERKUSEN Soft yellow fragrant flowers. Height 10'. Suitable for a north wall. Good alternative to Golden Showers.

NEW DAWN The pale pearl pink blooms are in medium sized clusters. An outstanding climber, can be grown as a shrub too and as an added bonus is good for cutting. Height 10ft.

PATIO CLIMBERS

- can be grown on the patio in a tub.

LAURA FORD Bright yellow flowers cover this patio climber from top to bottom. Glossy green foliage, height 7ft.

NICEDAY Fully double, pure salmon/apricot flowers with a heavy fragrance adorn this patio climber from top to bottom. Glossy dark green foliage, height 7ft.

PATIO ROSES

FLOWER POWER Deep salmon-pink blooms on good disease resistant foliage. Compact habit. Ideal bedder.

SUN HIT Deep yellow flowers. Bushy habit.

WILDFIRE Brilliant flame-orange blooms smother a neat bush of disease resistant foliage. Height 2'.(65cm)

SHRUB ROSES

ALOHA Large rose-pink blooms of H.T. form with a slight fragrance. Height 8'. Can be grown as a pillar rose or pruned back as a free standing shrub.

ROSERAIIE DE L'HAY Perpetual flowering, has large purple blooms with strong fragrance of sugared almonds. Bushy dense growth, and the leaves turn yellow to amber in the Autumn. Height and spread 7'.
